

FALL UPDATE & ANNUAL REPORT

2021

**EXCEPTIONAL OUTDOOR ADVENTURES FOR PEOPLE
WITH DISABILITIES** CRESTED BUTTE, COLORADO

ADAPTIVE SPORTS CENTER

DIRECTOR'S NOTE

Greetings All,

We had a fantastic summer that was over eighty percent of our normal participation rate. It was so great to see many of our participants back, eager to get outside and recreate. The fact that we were able to keep our instructor corps intact throughout the pandemic made it easy for us to rebound into a somewhat normal summer and provide programming to all of the participants who craved getting back into the great outdoors. It was exciting to see the amount of participant activity we had this summer, and even more exciting that our winter is looking even busier!

We are thrilled to see that pretty much all of our group spots have been filled for the winter. We have groups coming in from around the country and they are associated the premier rehab hospitals, veterans' organizations, and disability specific organizations. The therapists with our groups use these trips as a tool to not only provide incentive during the rehabilitation process, but also to increase independence and expand comfort zones for life after rehab. It is our goal for all of our participants to open the doors to healthy lifelong interests that improve well-being, increases independence, and self-efficacy. We have also started in on renovations for our Gothic Lodge to make some much needed upgrades. Once

completed, it will have a comparable look and feel to the Kelsey Wright Building's John B. Hampton Lodge and contribute to the fantastic experience that our groups will experience while participating with us.

Lastly, I would like to acknowledge Dan Wright and his two decade run on our Board of Directors. Dan and the entire Wright family have had a profound influence on the direction of the ASC and we are a much better organization as a result of it. He will be missed. We will also miss Emily Girdwood, who has decided to move on after an eleven year run at Adaptive. I can't thank her enough for the level of success that our fundraising events have seen during her tenure, and wish her the best of luck in her future endeavors.

I hope that everybody is out enjoying a great fall and that you make it back out here this winter!

Christopher K. Hensley
Executive Director
Adaptive Sports Center

Administration	\$192,300

TOTAL EXPENSE \$3,282,863

ASC OPERATIONS NET INCOME -\$25,458

Considering this fiscal year was affected by the pandemic, the Board felt it was reasonable to end at a small deficit. This helped to allow us to retain our staff, which is critical to helping us rebound. For more detail on these numbers, our 2021 independent audit is available on our website.

336

Annual Participants

1,656

Annual Activities

\$126,633

Annual Scholarships and Subsidies

These numbers were affected by COVID. Summer 2021 is on track to returning to approximately 80% of normal and Winter 2021-2022 is looking strong.

The ASC has encouraged, counseled, educated and laughed with Kate and her siblings while teaching them new skills which have transcended rock climbing, biking, paddleboarding, and skiing. You all amaze me at what you bring to my child and family.

Kimber F. & Family

We are proud to announce we have earned our sixth consecutive 4-star rating from Charity Navigator. This is their highest possible rating and indicates that we adhere to sector best practices and execute our mission in a financially efficient way. Only 14% of the charities evaluated receive at least 6 consecutive 4-star evaluations, indicating we outperform most other charities in America.

WILLIAM LUPELLA

PARTICIPANT SPOTLIGHT

Adaptive Sports Center instructor, Brett Alvarez, recently had the pleasure of talking with William, who has been visiting the ASC with his family for four years. This fun-loving fifth grader has a positive attitude that can't help but rub off on everyone he's around!

Looks like I have some questions here for you William. When are you ready for them?

I think I'm ready, man!

What sports do you do when you visit the Adaptive Sports Center?

I have had fun doing downhill skiing, mountain biking, low ropes obstacle course, paddleboarding, canoeing, rock climbing, and whitewater rafting at Adaptive Sports.

You sure have done them all, but do you have a favorite sport that you have done here?

I have two, downhill skiing and mountain biking. I like them both best so I cannot pick.

Where did you learn how to ski? Do you ski anywhere else?

I learned to ski in Crested Butte with Adaptive Sports. I have only ever skied in Crested Butte with Adaptive because I need help to ski.

Who do you come with when you visit Crested Butte?

I come with my family: my dad, Shawn; my mom, Lena; and my two brothers, JT and Frank.

Do you like to ski with JT and Frank?

Yes, it's very fun.

What goals do you have for this skiing this winter?

I just want to have fun, get good and go fast!

What's something you could teach your instructors at the Adaptive Sports Center about?

I can teach my instructor how to give good hugs and how to make people smile!

You sure can, you always give me the biggest hug when I see you!

Yeah. It's cool!

Tell us a little bit about the biking you did in Crested Butte this summer.

I ride fast on the city streets and slow on the trails. I fell down and scraped my elbow.

But you got back up and kept riding, right?

Yeah, it only kinda hurts.

What's something that makes you unique and completely different from anyone else?

I have a happy heart, and I smile a lot.

What is something that only you can do?

I can sing every Veggie Tale song.

I haven't seen that in person yet, I'm going to expect it out of you this winter!

Ok, cool!

What is something you want to do in your lifetime?

I want to go to college and drive a car. I want to have a girlfriend and get married one day.

What is the best compliment that you've ever received?

That I am kind and loving.

Well William, how was that?

Uhhmm, It was pretty...awkward.

Everyone: hahahahaha!!!

Everything is awkward on zoom! I agree with you. Do you have any questions for me?

Uh, just one, am I going to see you this winter?

I'll be here!

Photos (top left to right): A participant from Move Mountains braves the ropes course; our team for Ride the Rockies rode hundreds of miles; Maddie soaks in that Colorado sunshine; Aaron and Brett aim high and reach the peak of Mt. Crested Butte; ASC hosted the Adaptive Mountain Biking World Championships in August; rafters from Roger Pepper Adventure Camp for teen burn survivors bond after the rapids; Adrien from Kennedy Krieger Institute enjoys our indoor climbing wall; Bridges of the Butte, a fundraiser for the ASC, brought out our wild side; ziplining fun; some of the best hiking is in the Fall; the Crested Butte Open Gala broke records!

You want to leave the world in a better place than when you got here. You want to make an impact and this is a very good place to do that.

PAT & DAN WRIGHT

DONOR SPOTLIGHT

A LEGACY OF LAUGHTER

Pat and Dan Wright know the mission of the Adaptive Sports Center intimately. Their daughter, Kelsey Wright, (for whom the new Adaptive facility is named) started participating when the organization was in its infancy back in 1987. Pat and Dan remember those early years when Kelsey essentially skied in a glorified sled, but her excitement and love for the sport was immediately seen in her smile from ear-to-ear and her laughter! As the organization grew and adaptive skiing technology progressed, Kelsey was able to be in more control while skiing, using her body weight to carve turns on the mountain.

Dan and Pat saw a spark ignite in their daughter who felt like any other kid when she was skiing. For the Wrights, Adaptive Sports Center became an extended family and lifelong friendships emerged. So, when Chris Hensley asked Dan to join the Board as the Treasurer back in 2002,

he eagerly said yes. Last month, Dan retired from the Board after nearly 20 years, and was recognized for helping to build the organization and ensure its long-term sustainability through prudent fiscal management and engaged leadership.

Austen Wright, Kelsey's brother, has proudly accepted a position on the Board and shares in his family's passion for helping the organization thrive.

Pat Wright is no stranger to serving the mission of the organization either. She sat on the design committee for the new Kelsey Wright Building, spending hundreds of hours carefully planning how the facility would best serve people like her daughter Kelsey for decades to come. Pat fondly recalls having lunches on the second-hand couches in the old facilities over the years and wishes Kelsey had been able to experience this special purpose building before she passed. Pat takes pride in the facility and what it means for the people it serves.

Pat and Dan know that Kelsey's spirit will live on at the Adaptive Sports Center, through their family's continued involvement, through the new facility and through a planned gift to Adaptive that they have made in their wills. They want to ensure that the mission can continue, long after they are gone. "You want to leave the world in a better place than when you got here. You want to make an impact and this is a very good place to do that. Adaptive has a world class staff and dedicated volunteers, great community support and fantastic donors - this makes for a wonderful experience for anyone with disabilities," said Dan. With tears in her eyes, Pat added, "You go with your heart at this stage in life." She recalled that there were many trying times in their lives, raising a child with a disability, but "we like to remember the good and the fun, the humor and the laughter. Adaptive made her happy!"

The Adaptive Sports Center thanks Pat and Dan for their years of service and for sharing Kelsey with us. We are all better off for it. The Wright family's legacy of love and laughter will continue to inspire us for decades to come.

If you are interested in Planned Giving, such as leaving a gift in your will, please contact Allison Butcher at (970) 349-2296 ext 107 or Allison@AdaptiveSports.org.

THANK YOU DONORS

May 1, 2020 - April 30, 2021

During this unprecedented year, we'd like to emphasize how crucial everyone's support has been. You have held us to high standards and reminded us of the joy we all share in fulfilling our mission. Thank you from everyone at the Adaptive Sports Center.
