INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of the Adaptive Sports Center

Opinion

We have audited the accompanying financial statements of the Adaptive Sports Center (a nonprofit organization), which comprise the statement of financial position as of April 30, 2023, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Adaptive Sports Center as of April 30, 2023, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Adaptive Sports Center and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Adaptive Sports Center's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or
 error, and design and perform audit procedures responsive to those risks. Such procedures include
 examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are
 appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of
 Adaptive Sports Center's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Adaptive Sports Center's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS April 30, 2023

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General

The Adaptive Sports Center of Crested Butte, Inc. (the Center), located in Crested Butte, Colorado, was incorporated December 26, 1995. The Center is a non-profit corporation organized under the laws of the State of Colorado for the purpose of providing outdoor recreation programs for individuals with disabilities. The Center's major sources of revenues are grants and contributions, programs, and special events.

Basis of Accounting and Financial Statement Presentation

The accompanying financial statements of the Center have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to not-for-profit organizations. The financial statements are reported on the accrual basis of accounting and, accordingly, reflect all significant receivables, payables, and other liabilities. The financial statement presentation follows the requirements of the Financial Accounting Standards Board (FASB) in reporting information regarding its financial position and activities according into two classes of net assets: without donor restrictions and with donor restrictions.

Contributions

Contributions are recorded as support "with donor restrictions" or "without donor restrictions" depending on the existence and/or nature of any donor restrictions. Donor-restricted support, including pledges, is recorded as an increase in net assets with donor restrictions. When a donor restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and are reported in the statement of activities as net assets released from restrictions.

Donor restricted contributions, whose restrictions are met in the same reporting period, may be reported as unrestricted. Conditional promises to give are recognized when the conditions on which they depend are substantially met. Unconditional promises to give due in the next year are recorded at their net realizable value.

The Center uses the allowance method to determine uncollectible promises to give. All unconditional promises to give are deemed collectible by management, and accordingly, no allowance has been provided.

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Cash and Cash Equivalents

For the purpose of the statement of cash flows, the Center considers all unrestricted highly liquid investments with an original maturity of three months or less to be cash equivalents. Money market accounts are considered cash and cash equivalents because of their liquidity.

Investments

The Center follows FASB ASC 820, Fair Value Measurements, in reporting investments. FASB ASC 820 requires the use of a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into three levels: quoted market prices in active markets for identical assets and liabilities (Level 1); inputs other than quoted market prices that are observable for the asset or liability, either directly or indirectly (Level 2); and unobservable inputs from the asset or liability (Level 3). These classifications are intended to reflect the observability of the inputs used in the valuation of investments and are not necessarily an indication of risk or liquidity.

Merchandise Inventory

Merchandise inventory consists of t-shirts and other items valued at cost.

Concentrations Risk

Financial instruments that potentially subject the Center to concentrations of credit risk consist of cash in excess of Federal Deposit Insurance Corporation (FDIC) limits. The Center places its cash accounts with creditworthy, high quality financial institutions. At April 30, 2023, the Center's cash and cash equivalents bank balances do not exceed FDIC limits.

Property and Equipment

The Center capitalizes all property and equipment with a useful life greater than one year and a cost of \$2,000 or more. Donations of property and equipment are recorded as support at their estimated fair value. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Assets donated with specific restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, the Center reports expiration of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Center reclassifies temporarily restricted net asset to unrestricted net assets at that time.

Donated items are recorded at fair market value upon the date of donation. Depreciation is calculated on the straight-line method over the estimated useful lives of the assets, ranging from three to thirty-nine and a half years.

Contributed Services

Contributed Services are recognized as contributions in accordance with FASB ASC 958, *Accounting for Contributions Received and Contributions Made,* if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with these skills, and would otherwise be purchased by the Center. In addition, 234 volunteers donated 5,249 hours to the Center's programs. Although the fair value of the donated services would be \$165,396, no amounts have been reflected in the accompanying financial statements for those donated services because they do not meet the criteria for revenue recognition established by FASB ASC 958.

Advertising and Marketing Costs

The Center expenses advertising and marketing costs as they are incurred. These costs were \$101,775 for the year ended April 30, 2023.

Use of Estimates

The preparation of financial statements, in conformity with U.S. generally accepted accounting principles, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes

The Center is exempt from income taxes under Internal Revenue Code Section 501(c)(3) and qualifies for the charitable contribution deduction. The Center has adopted the provisions of ASC 740-10-25 (FIN48), pertaining to accounting for uncertainty in income taxes. Management has determined the effects of uncertain tax positions are not material to the Organization for recognition or disclosure in the accompanying financial statements and, accordingly, no income tax liability has been recorded for uncertain income tax positions in the accompanying financial statements.
