

BIG BOARDS

The “Big Boards” are the Crested Butte Open’s mini-live Auction. Get warmed up for the main event and bid on some fun and unique items!

How it works:

1. Check out all the items for auction either on the bid pad preview or in the auction catalog
2. Place a bid by providing your bidder number and the amount of your bid to one of the Big Board auctioneers!
3. The Big Board will be continuously updated as new bids are placed.
4. The Big Board will close no later than 7:00 p.m.
5. Each item on the Big Board will be closed individually. At 6:45 p.m., if an item has not received a bid for 5 consecutive minutes, the Big Board auctioneers shall announce the imminent closure of bidding for that item. If no new bids are received within 2 minutes after such announcement, bidding on that item shall close with the last bid being declared the winning bid.
6. Typically, there are unique Big Board items that allow for multiple winning bids.

All bids on these items will be posted on the Big Board. Once the maximum number of bids have been reached for items with a limited number of tickets, the items will be closed for future bidding.
